SUGGESTED RSS FEEDS TO ADD TO YOUR policyIQ SITE

We would like to help you get started using the RSS Feeds feature in policyIQ by suggesting some Feeds that might be beneficial to your organization. We have compiled a list below of Feeds that may interest you.

To add a feed to your site, simply navigate in Home to the **RSS Feeds** and then select **Add Feed** on your table toolbar. The **Subscribe to RSS Feeds** window will open. Simply enter the URL of the feed you'd like to add. Check the checkbox for **Available to Everyone** if you'd like everyone in your organization to see this Feed. Click **Subscribe** to complete the addition.
